Measure T

"Shall the Richmond Business License Act be adopted effective January 1, 2007, which will levy a new tax on manufacturing including oil refining, equal to one-eighth percent of the value of the raw materials used in the manufacturing process per year, increase ~~most~~ other categories of business taxes by 10% with certain adjustments, and annually tax landlords at up to \$90 per unit for residential property and 3¢ per square foot for non-residential property?"

City Councilwoman Gayle McLaughlin wants to pass Measure T.

*"Gayle McLaughlin's **Terrible T** taxes small business twice. It's a double tax that will hurt our chances of surviving.*

*"Gayle's Measure T has **both** a 10% tax increase **and** a 3¢ per square foot increase in our business rents...we can't afford Gayle's Double-Tax increase. She shouldn't be our Mayor."*

Vote No on T

MEASURE T: Raises Taxes and Rents

Gayle McLaughlin is pushing **Measure T—it raises taxes** on small businesses. It raises rents on seniors living on fixed incomes.
