Subject: Eagle Rock Aggregate Project

Dear Jim,

Hanson Aggregate has agreed to make a contribution of $250,000 to the Rosie the Riveter Trust for various projects benefiting Rosie the Riveter WW II Homefront National Historical Park.

I would appreciate any thing you can do to motivate Eagle Rock to also make a commitment to assist the National Park, either directly, or indirectly through Rosie the Riveter Trust. The Eagle Rock project will be sited on one of the former Kaiser Shipyards, and a gesture to help interpret the extraordinary activities that one occurred on that site would, I'm sure, be a source of pride to Eagle Rock.

If you would like more information on the Trust, visit the website at www.rosietheriveter.org. I am also attaching the final draft of the Trust's Strategic Plan.

Sincerely

Thomas K. Butt
President
